## Changing Seasons

Greetings from Michigan, where change is in the air! As the leaves turn their colors from green to orange, red, and yellow and the air cools, preparing us for winter, so we think of changing seasons in our lives. During my time back in the USA for a few months, I find many people have changed. Those who were little have grown. Some dear friends have gone to be with the Lord, and little ones have been born during my 4 year absence. My life too has changed from being single to being engaged to Joshua Gela. Through these many changes, we are able to count on a constant God who continues to work and move in our lives through the various seasons.

While we support the work of translating Scripture throughout Papua New Guinea, we seek change for those who encounter Christ through His Word. We do not want people to remain the same, but instead to be transformed into a New Creation, something that only the Holy Spirit can do. Early November, another New Testament will be dedicated by friends and SIL coworkers Clif Olson and Bernard. We look forward to God's Spirit working in the lives of the people on Amphlett Islands as they are able to hear and read more of God's love through their own language. I'm thankful for all of you, who help this ministry happen through your prayers, generosity, and encouragement! As I travel around sharing about what God is doing in PNG, it is a delight to spend time with you who partner in this ministry of making Christ known through translated Scripture! Thank you so much!

## No Change in Health

After a few visits to my cardiologist, I am glad to report that my heart health has remained stable for the past 4 years since I last had my pulmonary valve replaced. The doctors are very pleased with my heart's function. Thank you for your prayers and please keep them coming!

**"He has made everything beautiful in its time. He has also set eternity in the human heart; yet no one can fathom what God has done from beginning to end." Ecclesiastes 3:11**

During my time in the USA, I have been blessed much by seeing so many of you. Know that even if we do not see each other this time around, you are appreciated! Josh recently was able to visit Michigan for 2 1/2 weeks. We enjoyed our time meeting family and friends and sharing about aviation and Scripture Use ministries. He is now back in PNG, while I must wait until after Christmas to return to Ukarumpa. Josh felt very welcomed by all whom he met! Thank you again for your partnership through prayers, mail, funds, and messages! Your partnership allows Christ's Kingdom to grow in Papua New Guinea and around the world. We are glad you are part of our team! Blessings in Christ, Jenny LeMahieu [jenny\\_lemahieu@sil.org](mailto:jenny_lemahieu@sil.org)
