

Queretaro 4 Christ TRANSFORMING STUDENTS IN MEXICO

Kids Corner

What have you been doing your 12th week in COVID-19 "Stay at Home"?

Joshua: I loved packing food for the Little Free Library.

Jaedyn: I loved studying at home.

Jaelah: I loved preparing the guacamole.

Encouraging and Engaging

James asked the college students to describe how they were feeling since March 20th in quarantine in just one adjective? They responded *"anxious, lonely, discouraged, frustrated, stressed, and depressed."* They were not accustomed to take all their courses online. One student said, *"I used to do all my school assignments at a cyber coffee place near my house. Due to COVID-19 all the cyber coffee places are closed. I don't own a computer, nor do I have internet at my house. How can I pass all my classes?"* Another student expressed, *"Staying at home with my family has been good, but also it has been stressful. I can't concentrate to do my school assignments."* After listening to the students' responses, COMPA campus ministry prayerfully asked, *"How can we encourage the college students to seek God during COVID-19?"* The answer was to encourage them regularly by phone calls and online workshops so that they will engage more with God and the Bible.

PRAISE & PRAISE

• **Praise God that** our financial support reached **113%** this month. Anything given above the goal from now until June 30th will be first used to cover projects within the Mexico team and secondly transferred to other Resonate missionaries who are struggling to meet financial goals.

James, Barbarita, Joshua, Jaedyn, and Jaelah Lee

THANK YOU for your prayer, encouragement, and financial support!

The COMPA regional Bajio leadership team (Moni, Meli, Cesar, and James) organized a workshop called “Time Management” on May 9th, 2020 at 5pm through the Zoom meeting. 14 people participated. *“Our identity in Christ defines our priorities and how we use our time for God,”* was James’s key message in the workshop. Pray that the students will resonate with Psalm 42:11, *“Why, my soul, are you downcast? Why so disturbed within me? Put your hope in God, for I will yet praise him, my Savior and my God.”*

The Little Free Library ministry update.

In our previous newsletter, we told you about God’s work through the Little Free Library outside our home. Since Covid-19 began, we have also been putting non-perishable food items in the box as many neighbors are without work and food. So far God has helped us distribute more than 330lbs of rice, 150lbs of beans, 100 bags of lentils, 50 cans of tuna, 50 bags of oatmeal, 120 bars of soap, and 50 face masks through the Little Library Project. We have also been able to provide 28 Bibles so far. The demand is high, and we go through things quickly. We want to thank those who have provided funds to purchase food and Christian books/Bibles for the library. However, we still need more. If anyone would like to help provide for this small project right outside our front door, please email us at missionarylee@gmail.com, and we can tell you more on how to participate from afar. We have also created a Facebook page specific for the library so that we can share the notes left by the visitors and more photographs of the library as the project progresses. Please “like/follow” the public page at fb.me/freelibraryqueretaro. Or search “Little Free Library Queretaro” on Facebook. We don’t know how long we will continue to place food in the library, but as long as there is a crisis, we trust that God will provide.
